UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS
EASTERN DIVISION

SERVICIOS FUNERARIOS GG, S.A. DE C.V.,

No. 23-cv-10684-IT

Plaintiff / Counterclaim-Defendant,

v.

ADVENT INTERNATIONAL CORPORATION,

Defendant / Counterclaim-Plaintiff.

**PLAINTIFF'S RESPONSES TO DEFENDANT'S
FIRST SET OF INTERROGATORIES**

Plaintiff Servicios Funerarios GG, S.A. DE C.V. ("Servicios Funerarios") responds, pursuant to Federal Rule of Civil Procedure 33 and Local Rule 33.1 of the First Set of Interrogatories (the "Interrogatories") propounded by Defendant Advent International Corporation ("Advent"), as follows:

General Objections and Reservations

1. Servicios Funerarios objects to the Interrogatories to the extent that they purport to impose obligations beyond those set forth in the Federal Rules of Civil Procedure and the Local Rules of this Court.

2. Servicios Funerarios objects to the Interrogatories to the extent that they call for information that constitutes privileged attorney-client communications or that is otherwise protected from disclosure under the applicable privileges, laws, or rules.

3. Servicios Funerarios objects to the Interrogatories to the extent that they are overbroad, vague, not stated with reasonable particularity, and/or call for information that is not relevant to any party's claim or defense or is not proportional to the needs of the

case.

4. Servicios Funerarios objects to the Interrogatories to the extent that they are unduly burdensome, time-consuming, and extremely costly and, in that event, requests that Advent bear the cost of responding.

5. Servicios Funerarios objects to the Definitions of the Interrogatories to the extent they increase the burden of responding. For example, the definitions of “Servicios Funerarios” and “Gayosso” render the Interrogatories as overbroad.

6. Servicios Funerarios objects to the use of the term “Targeted Employees” because it is inaccurate, does not reflect the facts of this case, and is unduly prejudicial.

7. Servicios Funerarios responds based upon information reasonable available to it and expressly reserves the right to supplement these Responses, including by reason of continuing investigation and discovery.

Responses to Interrogatories¹

INTERROGATORY NO. 1

Describe in detail, with reference to supporting documents, the complete factual and legal basis for identifying each of the Targeted Employees and for declining to identify Carlos Peña in the Criminal Complaint.

RESPONSE:

As noted above, objection to the term “Targeted Employees,” including because it mischaracterizes the nature of the criminal proceedings in Mexico.

The factual basis for identifying Enrique Pani Bano and Carlos Alfredo Paz Perez in the June 2, 2022 Criminal Complaint was their execution of the SPA on behalf of

¹ Each General Objection or Reservation shall be deemed incorporated into the response and objections to each specific Interrogatory.

Gayosso. The factual basis for identifying Enrique Pani Bano, Carlos Alfredo Paz Perez, Carlos Lukac Ostreche, James Westra, and Alejandro Sosa Hernandez in the October 5, 2022 supplemental statement includes that, as employees or agents of Advent or of its related or affiliated entities, they were involved in the sale, the operation, or financial reporting of Gayosso, and their possible direct or indirect participation in the wrongful conduct set forth in the criminal complaint should be investigated by the Public Prosecutor's Office. More specifically:

- Enrique Pani Bano was an Advent Managing Director and the Chairman of Gayosso's Board, in addition to executing the SPA as a representative of Gayosso. He was also a lead negotiator on the sale of Gayosso's shares and was believed to have knowledge of Gayosso's operations, business practices, and financial reporting.
- Alfredo Paz Perez was a Senior Director and co-head of the Portfolio Support Group, Latin America, for Advent International PE Advisors S.C. He was an active Board Member of Gayosso since 2014 and a member of the Finance and Auditing Committees. In addition to executing the SPA as a representative of Gayosso, he was a lead negotiator on the sale of Gayosso's shares and was believed to have knowledge of Gayosso's operations, business, practices, and financial reporting.
- Carlos Lukac Ostreche was CEO of Gayosso from October 2011 to January 2021. He was a member of the Executive Committee of Gayosso. He had knowledge of Gayosso's operations, business, practices, and financial reporting.

- Alejandro Sosa Hernandez was Director of Operations of Gayosso from January 2015 to June 2021. He was a member of the Executive Committee of Gayosso. He had knowledge of Gayosso's operations, business, practices, and financial reporting.
- James Westra was a Managing Partner of AIC and the General Counsel of AIC. He was a lead negotiator on the sale of Gayosso's shares, including with respect to the false representations made in the SPA.

Additional factual basis is the information contained in documents being produced and this response will be supplemented to provide the Bates numbers for such documents once production is made.

The Criminal Complaint did not purport to state a legal basis for identifying the employees since, under the Mexican criminal justice system, it is not the role of a complainant such as Servicios Funerarios to determine whether a person or entity should be charged with a crime or be arrested. Rather, it is the role of the Public Prosecutor's Office to conduct the appropriate investigation of the matters asserted in a criminal complaint to determine whether crimes were committed and, if so, to then take what in the prosecutor's discretion are the appropriate steps, including bringing the matter before the criminal courts and seeking arrest warrants. Here, upon conducting an independent investigation of the fraud perpetrated by AIC, the Public Prosecutor's Office made the independent decision to proceed against the employees pursuant to Article 21 of the Mexican Constitution. A criminal court judge, upon review of the conclusions of the investigation performed by the Public Prosecutor, issued the arrest warrants for the employees.

Servicios Funerarios did not identify Carlos Peña in the Criminal Complaint because it did not believe that he participated in the wrongful conduct set forth in the Criminal Complaint.

INTERROGATORY NO. 2

State whether You contend, as to each of the Targeted Employees, that the issuance of the Arrest Warrants complied with the requirements of Mexican law, and describe in detail, with reference to supporting documents, the complete factual and legal basis for Your contention.

RESPONSE:

As noted above, objection to the term “Targeted Employees,” including because it mischaracterizes the nature of the criminal proceedings in Mexico.

Yes, as to each of the employees.

Our contention is based on the proceedings and conclusions of the Public Prosecutor and the Mexican courts, and on related documents which, to the extent they are in the possession, custody, or control of Servicios Funerarios will be produced pursuant to Advent’s document requests and, upon production, this response will be supplemented to identify the relevant documents by Bates numbers.

In accordance with Articles 141 and 142 of the National Code of Criminal Procedures, after conducting an independent investigation the Public Prosecutor can exercise discretion to request, in a private hearing, that a Judge issue an arrest warrant. Based upon available information, on October 7, 2022, the Public Prosecutor, after conducting an independent investigation, requested such a hearing before a Judge, and, at that hearing, he presented the basis of the criminal fraud case against the employees. Based upon available information, the understanding is that the Judge determined that the Public Prosecutor had met the

requirements under Mexican law by providing evidence sufficient to prove the fraud committed by the employees (and AIC) against Servicios Funerarios and issued the arrest warrants against the employees.

Neither Servicios Funerarios nor its counsel attended or participated in the hearing before the Control Judge.

INTERROGATORY NO. 3

Describe in detail, with reference to supporting documents, the circumstances surrounding the formation of Servicios Funerarios, including without limitation the purpose behind forming Servicios Funerarios; the persons responsible for its formation; and any involvement, input, or participation in any aspect of its formation by Carlos Peña, Octavio Trejo, or the El-Mann Family.

RESPONSE:

Servicios Funerarios was formed as a corporation pursuant to Mexican law on January 22, 2020. The purpose behind the incorporation of Servicios Funerarios was for its purchase of the shares in Gayosso. The person responsible for the decision to incorporate Servicios Funerarios was Pablo Peña Vazquez. There was no involvement, input, or participation by Carlos Peña, Octavio Trejo, or the El-Mann Family in any aspect of the incorporation of Servicios Funerarios.

INTERROGATORY NO. 4

Describe in detail, with reference to supporting documents, Servicios Funerarios' ownership structure, and to the extent it has changed over time, any prior ownership structure, including without limitation its current or former ultimate beneficial owner(s); any agreements or understandings concerning profit sharing, stock options, phantom interests, deferred compensation, or any other economic entitlements or benefits of any

kind; any current or former relationship with Banco Ve Por Más, SA Institución de Banca Múltiple, Grupo Financiero Ve Por Más, and the Trust Fideicomiso 666; and any other equity, ownership, or economic interests in Servicios Funerarios of any kind.

RESPONSE:

Servicios Funerarios' shares have at all times been owned by a trust established pursuant to Contrato de Fideicomiso de Administracion Number 682 and by Pablo Peña.

INTERROGATORY NO. 5
